RTID Program: The R&T Insured Deposits ("**RTID**"®) program is administered by Reich & Tang Deposit Solutions, LLC (d/b/a R&T Deposit Solutions), a Delaware limited liability company ("**R&T**"). R&T provides administrative, recordkeeping and other services to banks, trust companies, wealth management firms, broker-dealers, and other institutions that participate in the RTID program ("**participating institutions**"). R&T's services are provided subject to the terms and conditions of its written agreements entered between R&T and the participating institution, and no representations or warranties, express or implied, are provided by R&T or any of its affiliates, except as expressly set forth in those written agreements.

What is this List? This R&T Receiving Institution List for the RTID program sets forth a list of FDIC-insured institutions with which R&T has a business relationship for the placement of deposits under the RTID program and into which a participating institution may place deposits (subject to the terms of the RTID program and any opt-outs by the participating institution and/or its customers).

Important Information regarding Participating Institution's Receiving Institution List and its Customers. The particular RTID program offered by a participating institution to its customers is unique to that institution, and so the list of FDIC -insured institutions into which that institution's customers' funds may be placed may represent a sub-set of R&T's Receiving Institution List. Differences between R&T's Receiving Institution List and a participating institution's list of receiving institutions in their particular program offered to its customers can occur for several reasons, including but not limited to features of the program such as the program limit, the decision by a participating institution to exclude (or 'opt-out' of) one or more receiving institutions listed on R&T's Receiving Institution List from being a receiving institution in the particular program that it offers to its customers, customer account types and design elements such as the overall program size and minimum eligibility criteria. Customers of participating institutions should contact their participating institution to obtain the list of

R&T Insured Deposits (RTID®) Program

(administered by Reich & Tang Deposit Solutions, LLC **d/b/a R&T Deposit Solutions**)

R&T Receiving Institution List (as of 08/07/2025)

FDIC-insured institutions which their participating institution has a business relationship for the placement of deposits under their program and into which that institution may place the customer's deposits. Customer funds could, at any time, be allocated to any institution listed on the participating institution's list of receiving institutions. Accordingly, customers should regularly review their participating institution's list of receiving institutions and immediately notify their institution if they do not want to allocate funds to any receiving institution, including if the customer has any deposits at that receiving institution outside of the RTID program offered by their participating institution. The maximum amount of deposit insurance coverage that a customer is eligible to access under the RTID program is the **"program limit"**, which is set, from time to time, by the customer's participating institution (subject to the program terms and FDIC laws and regulations). The program limit generally depends on the number of receiving institutions in the program that the institution offers its customers and so it may change, from time to time. If a customer excludes (i.e., 'opts-out' of) one or more receiving institutions from holding its funds under the RTID program, the program limit may be reduced, as there would be fewer receiving institutions to hold the customer's funds. The customer should contact its participating institution to confirm their program limit. Before a customer places any funds into the RTID program, the customer should carefully read their participating institution's program terms and conditions for important customer disclosures, terms, risks, limitations and information relating thereto.

Legal Disclosures: Click [here](#) for R&T's legal and other disclosures. **R&T is not an FDIC-insured institution. FDIC deposit insurance only covers the failure of an FDIC-insured institution. Certain conditions must be satisfied for FDIC pass-through deposit insurance coverage to apply.** While the RTID program provides access to an expanded level of FDIC insurance coverage on funds placed into deposit accounts at FDIC-insured institutions under the program (up to the program limit and subject to program terms and FDIC laws and regulations, including pass-through insurance coverage requirements), **the RTID program itself, as well as R&T's other service offerings, are not insured or guaranteed by the FDIC, are not deposits, and may lose value** in certain circumstances as described in the program/service terms. R&T is not a division of the FDIC, R&T is not associated with the FDIC and R&T is not insured by the FDIC. For more information about R&T, please visit our website at <https://www.rnt.com>.
